7. New Liskeard

8. Mother Mrs. Erol Bowes was born in Elgin County. Dad came from Simcoe County they were married in Hamilton 1919. They came in a 1920 Model T. Ford to North Bay by train. The pavement ended at Aurora and the rest of the road was gravel to North Bay. They came from North Bay to New Liskeard by train May 4, 1923. Mom's brother was a baker Arthur Allemand he got a job as a baker in 1922 and he wanted dad to come. Black mulch was still burning from the 1922 re.

10. Was born in New Liskeard

13. There were 4 of us

14. miner

15. Stenographer and bookkeeper

16. Lease of mine properties

17. house wife

18. Got married in 1960. Our first home was at the Cobalt Refinery Townsite, I was glad we were living at the Refinery

19. Provided we could find a decent place to live in. It was hard to find a decent house, to live in. The houses were mostly dumps we were lucky to get the house we did,

20. Worked for Ont. Hydro for years. In the Cobalt local office and over at the machine shop foundry across the lake.

24. 3 bedroom house at Gillies on the Montreal River renting with intention to buy it. J.J.Gray changed his mind and wouldn't sell. There was a court battle over the case deal. The rent we paid was to have been the down payment, we lost the court case.

25. We had water in the house. The water system was connected by hoses outside.

30. Pretty good. We had TBS, Dominion store

31. Sports - made our own firm fun. We had a dance club.

32. figure skating,

33. New Liskeard public and high school. Took Commercial

34. 13 years

35. Buses and cars

36. The Dr's McCullough's

37. None

38. New Liskeard hospital

39. Slacks, always well dressed, and hand remade and hand me downs from my sister. Mother did all our sewing

46. Sunday best

47. Church first, Sunday school, picnics at New Liskeard. beach, go driving in car sight seeing

48. Like living here better than New Liskeard

49. Festival certificates for singing and pictures

51. Like the town being spruced up. Old buildings not in use torn down, New Park on the corner. Recreation program the way it was presented
52. Not pleased with the lack of businesses. In raising a family here there are no job opportunities for young people. I don't like the payrolls that have been taken out of town. Don't like the lack of interest by the government. The government always talks big when opportunity is presented when it comes down to brass tacks it goes to New Liskeard or elsewhere.
53. No.
55. Yes
56. More employment opportunities for example secondary industry more encouragement for mining Industry, Road in area should be kept in good repairs.
57. All year round
58. sports
59. Raising my family, sewing, knitting, shell work, photography's
60. more job opportunities, more jobs made
62. Talented people with handicrafts could be played up. Cobalt's hospitality, History living museum, natural hills for unorganized sports. Good fresh water and beaches, hunting and fishing.
