David Herbert

as given by George Herbert

635 Brewster St. Haileybury

Haileybury

Was born in Haileybury March 1916

Went to Public School and mining school for four years in Haileybury.

He started to work for his father in 1938-A.L. Herbert Customs Broker. In 1939 he went back to school to Ross's business College in New liskeard and Gradulated in a commerical course, typing and booking He then came back to the Customs business.

He joined the air force in 1942 stayed in till 1944.

In 1942 he met Madeline LaFontane in Toronto, she was a school teacher they got married and settled in Haileybury. Mrs. D. Herbert taught school and still is teaching school there.

They had one son Dennis. Who gradulated with a B.A. and is a high school teacher in Toronto today.

Dave did alot of boating and fishing and skiing till the late years of his life. He loved garden and had a beautiful garden of vegables and flowers and he loved doing cement work around his house.

All his life was spent working in Cobalt at A.L. Herbert Customs and kept working at no other job.

When his father died in 1955 Dave took over A.L. Herbert Customs and kept it till he died in 1968 at the age of 52.

Dave was quite and retiring always interested in the offairs of Cobalt. He was interested in Mining and the mine markets and world affairs. A daily person on the street of Cobalt.
