Ellen Edwards
307 Main Street,
672-5272
93 yrs. England

Came to Haileybury in 1914 and my husband worked for a A.J. Murphy then was Division Court clerk and then bailiff. When we first came we lived with Mrs. Farr on Browning Street then later lived where Court House is now. The time of fire I went with the Farris to the Head of Lake where they had a cottage. I lost everything I had brought from England. We came back after fire to live near Dr. Arnold.
