11. Train Wooden sidewalks- Groceries, milk and ice which we used for our ice boxes since there were no refrigerators were delivered by horse and cart. First car was a Model T Ford.
17. My father was a veteran of World War 1. I had a husband, two brothers and a brother-in-law in the war. Food was plentiful except for butter, sugar and tea we were rationed and candy bars were very scarce. We used to save all the candy bars we could and send them overseas. My husband was over there for four years. These were very sad days but the people seemed much happier then and had a much better moral in those days.
18. Like Cobalt quite lively
21. Mining
24. The houses we lived in was a wooden frame house with no bathroom but we had a flush toilet there was electricity but we had a wood stove for cooking and a Quebec heater for heating.
31. For entertainment we made our own but we had two theatres of course these were silent movies then, vaudeville shows and there were men who had wagons and sold pain killer, they would set up on the corner and everyone would come and watch.
31. There were lots of stores then I can remember the Bata Shoe Store, Sam Buckvetskys, Woolworths, Valice Ladies Wear, Silverland Pool Room, Martin's Second Hand Store, Cain's Furniture Store, Ferris's Fruit and Candy Store, Minerva Grill, Murphy's Blacksmith and McDermids Ladies Store.
