

Carmen Stubinski      February 18, 1972

2 hours.

1. Jack Church

2.

3.

4.      27 Grandview Ave.

5.      679-8238

6.      39

7.      Cobalt, Ont.

8.      Mother Cobalt, Father Calebogie, Ont.

9.      Ottawa Valley

10.     Cobalt.

11.

12.

13.     four

14.     Milkman

15.     Stenographer

16.     Technical Sales representative

17.     Homemaker

18.     The whole community is unique

19.

20.

21.

22.     8 hours.

23.     \$1.35 per hour 1952

24.     Wood frame house, no foundation

25.     No

26.     Taps.

27.     electricity

28.     Wood stove

29.     Quebec heater, wood and coal.

30.     Grocery store, dry goods. The shopping centre more diversified  
than it is now, more selection

31.     Movies, dancing.

32.     Skating, hockey, basketball, bowling, pool

33.     Yes.

34.     13 years

35.     Train, bus, car

36.     Dr. Dunning

37.     Can recall there was a miner's hospital, in front of Buffam's funeral home.

38.     Haileybury

39.     All in school.

40.

41.     I can remember when my father worked for A.P. Pilliner who was manager and  
director of one of the mines at Mileage 104.

He worked and did not get paid until Mr. Pilliner who would go away and raise money elsewhere to keep the mines operating.

42.

43. Meat, potatoes, vegetables and always dessert.

44. Sunday was a special meal, we didn't eat in the kitchen always the dining room also was used with a white table cloth.

45.

46. Rubber boots, leather tops and rubber bottoms. Heavy long pants, shirt.

47. Put on best suit, shirt and tie.

48. Church and play ball on hockey.

49. A little plaster of Paris plaque. I won in a Sunday school Contest.

50. The unique flavour of a small town community

51. Easy to move around. Friendliness of knowing almost everyone in the community. The ease of life, the children to participate in the community activities. Besides this comment I mean parents don't have accompany their children. They can do this all on their own.

52. Improved recreation program, covered arena artificial ice. We didn't have when I was a child. Introduction of natural gas.

Sass Lake beach area, street lighting.

53. Yes.

54.

55.

56.

57. Progress for employment for the ones that want to remain here.

58. Summer.

59. Movies, little theatre, meetings.

60. Photography, woodwork.

61. Increase tourist trade, using the mining back ground for an

62.

63. Simple, carefree community life, mines, abundance of clear pollution free lakes. Breathe the good clean crisp air, no smog pollution. Points of interest that can keep visitors entertained.

## HIGHLIGHTS

Mr. Church has been on the recreation committee 10 years. Coached a baseball team. 10 years ago, got lots from the children (response), but found there was the parental participation.
