10. 1911 I come from Rinouski Quebec to New Liskeard. Worked at Long Lake 1916 bush work up Montreal River, 1918 worked for Sheppard Morris, J.R. Booth Co. etc. worked on farm in summer and in bush in winter. One farm you worked from 6 on, on the drive you worked 4 a.m. till 8 p.m., received \$40. per month.

Looked after horses at Gillies for \$5. a month & board. Lots of times in bush there was not much to eat. They brought cattle in when lake froze over. Went to school Rinouski Quebec for three winters learned nothing as I could talk no French and they could talk no English. Left England at 13 years came by boat to Montreal. Come up here by train horse took your luggage but you walked Donald MacLaren had the stopping place I worked for Cosgroves and George Bernache and took charge of a el when they built big dam at Upper Notch.
