48. Grandpa's Gold watch
49. know everyone
50. Its home
51. Built new houses. Artificial ice. Done away with dilapidated buildings, new parks.
52. not many stores, fewer mines
- 53.
- 54.
55. yes
56. Would like to see this restoration program, go ahead, more tourism, new
57. water line , more building lots.
58. summer boating, winter skidooing, hunting, fishing.
59. sports.
60. There definitely has to be a raise in the price of silver. It costs more to develop it as long as it is silver mining for an answer. We have to have a better price. No one is going to invest money if they can't see a return.
61. To be frank unless you were born and raised here. No young person is coming here to stay. There is just no work.
62. Historical background. Exciting past, good fishing, in summer, different minerals in mine rock dumps for rock hounds. Natural easy going society. Hospitality lots of camping area, scenery and good beaches.

Highlights

Can't comment on Kent only that he is working at Sherman Nines and living in the Saxton homestead. His dad is an electrician and works away from home. Sold the Daily Nugget as a youngster.
