

1. Mr. Melville Eno
2. Mel
- 3.
4. 40 yrs.
5. 679-8391
6. 53
7. Killaloe
8. Mother in Renfrew Dad in Killaloe
9. Tomiko, Ont.
- 10, May 1939
11. Train, moved by freight car
12. north
13. 10
14. railroader
15. clerk
16. fire truck driver
17. clerk
18. after coming out of the bush it looked pretty good
19. It was in the hungry 30's. I was lucky, worked for the T.N.O. in the summer, use to go in the bush during the winter to cut wood
20. We lived in the bush at Tomiko so mother moved north to Cobalt so we could get
Schooling and work
21. Bush work, mining and railroad
22. 8 hrs. per day.
23. 29.90 per week
24. Large frame wood house
25. Had a good Xmas with lots to eat
26. in the house
27. Hydro
28. wood stove
29. Quebec Heater
30. 1939--there were lots of stores here then, 2 dentists, 2 drug stores, shows,
Shaw's and Moore's, Lawyer Mitchell and Lawyer Inch. We use to have court cases held
here then--held in the old town hall. Now T.T.L. Building
31. A dance with Square dancing once a week in the old Orange Hall--next to the
Fraser House. Lots of dances out at First Brook and Latchford Hall.
32. Softball, and chase the girls, a rink rat at the rink on Miller Ave
33. Raymore and Tomiko
- 340 10
- 35, Railways and buses
36. Dr. Case
37. Mines Hospital
38. Haileybury hospital
39. Neil 17, Doris 17, Louis 17
- 40, Neil Port Arthur Doris Cochrane Louis at Temagami
- 41.

- 42.
43. same as anyone
44. Good heavy meal, lots of long clear and beans
45. Wasn't afraid to wear a patch then lots of them
46. Suit--white shirt and tie
47. Walk the tracks or downtown for a sundae at the ice-cream parlour
48. Still got my dad's tool box made in 1935
49. Small town Atmosphere
50. Wouldn't live in a big town, In a small town you know everyone.
51. New Parks Side walks--Parking lots up grading the town, new subdivision. Got rid of a lot of eye sores and condemned buildings etc.
52. No drug stores, lack of employment took away 4 wholesale houses, ONR communications, dentists, Northern telephone, lost our clothing stores
53. no
- 54.
55. yes
56. Steady employment for people living in the Town something to hold here
- 57, the whole year
58. Fishing
59. tinkering with motors
60. We need the silver to go up in price to re-open, and operate the mines. Re-open the smelter, Shopping Plaza
61. It would have to be people with money that would have believe in the potentials of the town, People the semi-retired, would find it a haven.
62. fishing, hunting, boating, skidooing skiing, wide variety of good lakes with good beaches, camping areas within short distances of the town. Mine tours, lots of hydro dams to see. We have the only air plant made by water in Canada to the mine, which supplies air to the mine. We have the nicest scenery of bush to walk through or drive through I just wouldn't live anywhere else.
