47. Sunday was always a special day in their home. She and her brother always went to Sunday school in the Parish Hall. For lunch they always had bacon and eggs. Remembers her parents listened to classical music that day.

48.

49. Likes the small town living. Lived in Toronto for a few years and wondered at first how she could ever have lived in Haileybury for so long. But after awhile she realized how fortunate she had been to have been raised in a small town. Found the city cold. Finds the town friendly and knows a lot of people

50.

51. Has seen some progress such as the town office, building of new businesses such as Valtin's Service Station, the water station, the L.C.B.O. and areas where new homes have been built.

52. Did not like to see Dewey's Dime Store moved. Remembers the Circus that were held across from the hospital before the new houses were built there

53. Gossip in a small town can be malicious. Thinks the land on which the dump is located is scenically located

54.

55. Yes

56. A regular shopping plaza with a supermarket. Would also like to see a day care centre in Haileybury for mothers who must work out.
