60. Brought in new industries need more stores - this would give more work - some kind of plant
61. working class
62. museum tours - good hunting and fishing - people of Cobalt are sociable and friendly

#### HIGHLIGHTS

Rita's hobby makes me laugh - she says she could wash continuously - all day long but hates ironing - the truth is every time you go past her place guess what? there's washing on the line .Somedays she just hunts for rags to wash.
