11. train

12. Northern route - ONR

13. Just the 3 — I was the only child

14. Soft drink business - Dad and his brother had it from 1951 (coke factory)

15. Clerked in Buck's then the post office

16. Metropolitan life insurance

17. housewife. In RCAF 10 years posted in Comox B.C. and Cold Lake Northern Alberta, also Bagotville & North Bay, Camp Borden & St. John's Que.

18. Knew a few people because of going to school that is High School. but could think of better places to live.

19. More active than now - more mines operating and people very friendly no problem socially

20. business opportunity

21. mining - refinery - foundry and store clerking

22. 60 hours

23. \$225. a month

24. Apartment - over pop factory - was a mess but we fixed it up the best we could

25. spent X-mas with parents, they lived on Nickle St.

26. Running water

27. hydro

28. electric stove

29. Hot water heating. Grandfather had businesses in Temagami. Had the station restaurants from North Bay to Cochrane. Ronnoco Hotel -Garage - outfitters Co. - restaurant and grocery store - the Old Stevens house in Cochrane. My dad was born and raised in Temagami. We went to Cochrane because he worked in the railroad. I always came to Temagami to spend my summers - moved there finally in 1938. Lived by the lake. No electricity but had water outside plumbing then moved to Toronto for 4 years came back in 1944. Then lived on the island where dad lived. to-day only in a log cabin, that had no water, lights - for about 1 1/2 years while father was building the new house. Had no hydro at first and a diamond drill well. Very exciting growing up there.

Very few motor boats. Always went by canoe - the summers were really fabulous

30. TBS, Buck's were closed- Woolworths, Quality grocery - Dominion - Rowdon's Shaw's store - Bilodeau, Damiani and Mrs, Audet

31. Temagami - consoling - Goddard's Theatre I met Pat at the Friday night dances

We were there when dance started and stayed right till the end. These were every Friday night. Dorothy Houston played

32. Played hockey - football - basketball - summer sports.
33. Temagami Public - went to N. Liskeard 1 year then bussed to Cobalt High
34. grade 11
35. trains - cars - buses
36. Dr. Dunning
37. Nothing in Temagami but remember the ONR had a hospital coach they parked at the station. Later on we always went to Haileybury
38. Comox B.C.
39. Still in school
42. Just what they had at the festivals never participated as I was never interested in mining
43. wore coca cola uniform
46. If I went to church - dressed up
- 47, always went to Temagami on Sundays
48. Grandfather's watch (pocket) - diaries , my grampa had and wrote while at sea. Written in 1874 I really cherish these. Also an old coke bottle with New Liskeard written on it.
49. I like Cobalt for the fellowship of people I associate with
51. Done a lot to the town. Cleaned it up a great deal
52. Don't like the recreation policy - or school system having to bus children -and the removal of grade 13
53. Have to leave town to make anything - no job opportunities
55. yes
56. Secondary industry - the town really only has mining to depend on.
- 57.Springtime
58. Kiwanis - curled until last year
59. no
60. another industry - put in a steel mill instead of Adams and Sherman mines -sending iron pellets to Hamilton.
61. Lent itself to tourism
62. Cobalt has a type of old romance to it. Very unique atmosphere

Highlights : Roger is now planning to move his family to North Bay in June as he could not get any work around here. He is as hard working Kiwanian whom I know for sure will be missed a great deal.
