

Simone Bedard

Mr. Roland Barron- born and educated in Amque, Quebec.

Passed away on Feb. 9,1965.

Education: 3 years high school

Married : Marie Cecile Yvonne Bergeron in 1934

Children: Three daughters and 1 son

Dianne: Mrs. R. Smith, living in Vancouver

Rolande: Mrs. G. Regimbald living in Vancouver

Lise : single and working as beautician in Ottawa

Gilles: single, holds a Bachelor of Arts Degree teaching school  
in Ville Marie, Quebec.

Mr. Barron Commenced business on May 1,1953, with a surface drilling contract with Agnico Mines in Cobalt, then managed by Mr. Danny Helens and Mr. Mario Debastiane. Business continued to expand and on Sept. 1,1963 became a limited company. Throughout the years we have drilled in many parts of Canada, but concentration has been spent on the Cobalt and Gowganda camps. Through close association with mine managers, geologists and engineers etc. a good relationship has been maintained through the years.

Mr. Barron throughout his business career sought to train drillers and other crew to upgrade themselves, and accept responsibility. At the time of Mr. Barron's death, a well trained crew and staff was able to continue the steady expansion of this business under the direction of his wife Cecile, who throughout the years kept a keen interest in business affairs, as well as the welfare of their employees.

Present directors of this company are:

Cecile Barron President

Gerard Gauthier Vice President

Gilles Barron Secretary-Treasurer.
