49. The friendliness
50. everybody's friendly. I like Cobalt now very much so do my children
51. Tore down old houses, others repaired and remodel old houses. The town just seems to be cleaned up
- 52.
- 53.
- 54.
55. yes
56. Would like to see more work for the men and young people. There is definitely nothing for the young people
57. summer
58. Make own entertainment we don't go out. unless we have visitors
59. knit, reading
60. I do know they will have to do something. Its not funny when the men and teenagers can't get work. My husband works steady, He is a butcher. If the mines would open there would be a lot more work and business open up. Would like to see silver refined, concentrated and finished into products shipped from there. See the smelter open again anything to make more job
61. Tourists
62. Miners festival, old mines. Bass Lake good beaches, fishing, hunting, Museum and good sight seeing.
